

Crossmembers

“It’s What we’re up to”

“Plain talk from tha Porch”

Well here we are, blessed with the beginning of another year. Another year that brings hope for us as Christians to continue spreading God’s word & hope for those not yet saved to come out of the darkness, Salvation! It’s with that hope & trust found in Christ we look forward to 2018 & the many plans God has in store for both we as individuals & together as a ministry. With that I do believe we must examine the past year with the same focused diligence held within the excitement & hope we exhibit for the coming year. We must not only ask ourselves, but more importantly God where our growth & short comings lay. Another words what did I do to grow God’s kingdom verses how did I impede His message. Both should come with the same since of urgency. One promoting strength & growth while the other brings thoughts of weakness &

doubt. Keep in mind as Christians both are beneficial, spiritually. Ministries should not hold themselves immune to the same awareness test. Crossmembers continues to be blessed with men representing many different churches & denominations, staying connected by the desire to represent & worship Jesus Christ, while staying focused on “Kingdom building”. Our actions as individual will continue bringing movement to not only our group but as Christ intended, to a world in desperate need of the Savior. Crossmembers this past year continued some ex-

citing impactful ministry programs like our carebags for the needy(folks along the roadside), outreach ministries(speaking to groups) & one on one discipleship opportunities(everyday interactions) all while hearing Christ’ call to “take up your cross”. With all the worldly noise of man & society, it’s imperative we strive to do more. In the coming year We as a ministry joined together as one in the name of Christ will continue eliminating that very noise, with the sweet sound of Christ’ message.

In Christ
Keith
